

Avionics System training. Where we began and where we are with Cockpit Safety.

Introduction to glass cockpits, handhelds, and how they can help you in the cockpit. Where we began and where we are with Cockpit Safety. This will give an overview of many Avionics systems and how they can improve cockpit safety and awareness.

Directions: The new IVY Tech building is located on Cook Road, just West of Northrop High School and the Fort Wayne Community Schools Bus Depot.

This event will be held in the IVY new hangar Building. The classroom will be Room 102 Enter the main doors and proceed to the left. The classroom will be the first left hand door when you enter the front doors.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
